Parking: Parking is in the carpark for the fishing lakes, which is just inside the park entrance.

Signposting: Signposting from Exit 2 on Naas Road, signposted 'Grange Castle R136/Kingswood'. Take Exit 2 and the sign will be posted at the roundabout above, on the north side of Naas Road. **DO NOT GO PAST THE CARAVAN PARK – THIS IS THE WRONG ENTRANCE.**

Registration: Registration/Start/Finish are all together about 400m into the park, at the East side of the lake. Please follow signs. Registration opens at 10.30am.

Start:

First start is 11.00am. We are using a colour-coded Startlist to only show schools' start slots. Please have your students line-up in a single file (per school) at the call-up rope, **in each category** (see 6th Class Girls section above for example). There will be an adult in charge of each section and when they call your school's name, the next-in-line in that school's queue goes forward to the -2 mins Box. Here they will check their SI card in a 'Check' box to make sure it has been cleared properly. They will then progress to the -1 min Box and when told to 'Go', they **MUST** punch the 'Start' Punch to begin their timing.

Please see the Startlist for your school's first Start time and be sure to have your students lined up at the start in plenty of time.

Map: The scale is 1:7500. The map has been newly updated.

Terrain: There are 2 areas of lakes/uncrossable marsh on the competition area. There are also a number of streams and perhaps wet gullies. Care should be taken, by competitors, near the water. There will be no need to enter any of these features, as there are ample bridges to use to cross.

There is a children's playground in the park. Please take care that the activities here are undamaged.

Pet Farm: There is a Pet Farm in the centre of the competition area. This is a feature that the Corkagh Park staff themselves have introduced and upkeep themselves and well worth a visit.

Toilet: Assembly is at the Fishing Hire cabin. There is a public toilet here, though it is often closed, so don't depend on it. There are also public toilets in the children's playground and beside the pet farm.
