**Start Area:**

**Start:** First start is 11.00am. Please see the Startlist for your school's first Start time and be sure to have your students lined up at the start at least **15 mins** beforehand.

**STARTLIST:** We are using a colour-coded Startlist to only show schools' start slots. Please have your students line-up in a single file (per school) at the call-up rope, **in each category** (see 2nd-3rd Yr Boys section above for example). There will be an adult in charge of each section and when they call your school's name, the next-in-line in that school's queue goes forward to the -2 mins Box. Here they will check their SI card in a 'Check' box to make sure it has been cleared properly. They will then progress to the -1 min Box and when told to 'Go', they **MUST** punch the 'Start' Punch to begin their timing.

**Toilets:** There are toilets beside the Pet Farm. There are also toilets in the children's playground but these were closed and out-of-order when I visited the park last week.
